Product description:

- Kidea watercolor crayons in up to 24 colors allow you to create works of art with the effect of watercolor paints!
- Crayons provide many opportunities to express creativity.
- Drawing with them dry, you can refine the details of the picture.
- Using them wet, you can paint with them by dipping the crayon in water, drawing on wet paper or smearing the drawing with a wet brush.
- Thanks to their multifunctionality, the crayons allow you to combine two artistic techniques: drawing and painting!
- They make an excellent gift idea, thanks to their elegant metal box.
- Package dimensions: 19 x 20 x 1,2 cm
