## Product description:

The Head shoe bag was created with young skateboarding fans in mind. The black pencil case with blue accents features a design of many small skateboards. The bag has double side strings with a safety connector, allowing it to be carried in the hands, on the shoulder or on the back. In addition, on the back of the shoe bag Astrabag there is a badge to write the student's personal information.

- polyester strings with safety connector
- dimensions: 44 × 33 cm
- space for owner's data
