Product description:

- Oil pastels are used for drawing and painting. They allow you to achieve thick, bold strokes with saturated colors.
- The ease with which they spread on paper depends on the ambient temperature. At higher temperatures, pastels are softer.
- The colors can be mixed visually by hatching, cross-hatching and slight shading of the applied colors.
- The surface covered with oil pastels can be smoothed and rubbed with a moist finger.
- Quantity: 12 pcs
- Hexagonal
