Product description:

- High quality hexagonal crayons with soft graphite, ideal for hobbyists.
- For coloring, drawing and creating watercolors.
- To achieve a watercolor effect, paint with graphite soaked in water or blur the drawing with a damp brush, so that sharp lines turn into delicate strokes as if painted with a brush.
- Soft graphite with strong pigmentation is ideal for drawing and coloring.
- Made of wood from certified forests. PEFC certified
- For children over 3 years old.
- Number of colors: 12 pieces
