**Product description:**

- Watercolor paints in as many as 12 metallic, brilliant colors: silver, cream, white, two shades of pink, green and purple, and three blue shades.
- The set also includes a brush. The paints cover the painted surface well, leaving a metallic sheen on it.
- The varied color palette allows you to create one-of-a-kind works of art.
- The colors can be mixed together to create even more shades.
- Metallic watercolor paints are sure to make a splash in art lessons.
- Number of colors: 12
