Product description:

- DIY sticker set with metallic Kidea foils.
- The set includes a sheet of stickers with adorable characters and shapes and 5 colored foils: purple, pink, blue, green and silver.
- Simply remove a piece of the protective sticker from the sticker of your choice and apply the foil with the clear side to the adhesive, and the piece will instantly take on metallic colors.

- Each sticker is divided into fragments, so you can create the most diverse color compositions by combining the colors of the foil.
- Metallic stickers can be used to decorate your room, notebooks or artwork.
- They will work as a unique gift for any occasion.
