Product description:

- DIY sticker set with metallic Kidea foils.
- The set includes a sheet of stickers with magical characters and shapes and 5 colored foils: purple, pink, blue, gold and silver.
- Simply remove a piece of the protective sticker from the selected sticker and apply the foil with the clear side to the adhesive, and the piece will instantly take on metallic colors.

-
- Each sticker is divided into fragments, so you can create the most diverse color compositions by combining the colors of the foil.
 - Metallic stickers can be used to decorate your room, notebooks or artwork.
 - They will work as a unique gift for any occasion.
