### Product description:

- Precision glue in the form of a thin pen set with 5 colors of glitter: gold, silver, blue, purple and pink.
- Simply create a design or lettering with the glue like a regular thin pen, then sprinkle it with glitter and wait for the glue to dry.

- 
- It will also come easily to create an ombre effect using different colors of glitter.
  - Thanks to the precise tip of the glue, you can use it to make beautiful glittering ornaments, invitations, layouts, greeting cards or gifts for a loved one.
  - Precision glue with glitter will make a furore at art lessons, and the works decorated with it will delight everyone.
  - Package size: 21,5x15,5cm
