**Product description:**

Foil pen ideal for special applications i.e. coated surfaces, optical glass, laboratory glass. Does not smudge and is waterproof on most surfaces. Quick-drying, also ideal for left-handed users. Extremely fade resistant (black color on smooth surfaces for 7 years, red color for one year, used on paper much longer). The black color is resistant to weathering. Can be used while flying on an airplane - automatic pressure equalization protects pens from spilling ink during flight. Resistant to high temperatures up to 250°C. Writing line length: S (0.4) 2000 m
