## Product description:

Color technical paper of 160-220 g, A3 format in orange. An excellent choice for designers, artists and hobbyists. The package contains 25 sheets of high-quality paper with intense orange color. The product provides an ideal substrate for drawings, collages or artwork. Thanks to its weight, it will also be perfect for creating greeting cards, invitations or decorations. Enliven your projects with a creative touch of orange! Format - A3 Number of sheets - 25 Grammage between 160g and 220g - there is always one grammage in one package and we try to make it as close to 160g as possible, but in the absence of this grammage can be higher, there is no choice of grammage. Please note between production batches the shade may vary a tone or two
