Product description:

The plasticine + poster paints set Shan is ideal for art lovers who appreciate variety and the highest quality materials. We present to you our exclusive combination of plasticine and poster paints, which offer 12 intense colors each. Plasticine is exceptionally soft and easy to mold, allowing unlimited creative possibilities and complete freedom of self-expression. In addition, the set of poster paints guarantees clear, long-lasting colors that will work perfectly on a variety of surfaces. They are ideal for both children and adults who want to develop their artistic skills. Choose the creativity and quality offered by Shan, and discover new layers of inspiration!

Poster paints Shan are an excellent choice for any artistic learner. The set contains 12 intensely saturated colors with a capacity of 20 ml, which easily allow you to achieve vivid and durable painting effects. The paints have excellent water solubility, which allows them to be easily mixed and applied to a variety of surfaces.

This product is ideal for artwork, school projects and art classes. The paints dry quickly, allowing you to continue working without a long wait. Thanks to the ergonomic container, the application of paints is convenient and precise. Choose poster paints Shan and discover the joy of creating with colors that will bring your artwork to life!
