Product description:

The Unicorn School Layette Set is not only a functional choice, but also an investment in your child's comfort and satisfaction. The set combines carefully selected articles that support effective learning and organization of time at school. The unicorn motif gives the whole set its character, delighting children with fanciful designs that stimulate creativity and make learning more enjoyable. With practical solutions and elegant design, our products will fit perfectly into both the daily rhythm of school

duties and special occasions. By choosing our layette, you provide your child with a solid start to the new school year, supporting his development and providing him with the necessary tools for success.
