Product description:

Plasticine Bambino is a high-quality plastic mass. It is flexible, does not get your hands dirty, does not stick to the surface, is easy to model, allows you to create works using the millefiori method. It does not dry out in the air, so it can be used many times. The range of colors is wide, vivid and saturated colors.

Plasticine is safe because it is produced in accordance with the Directive of the European Parliament and of the Council on the safety of toys and the ordinance of the Ministry of Economy on essential requirements for toys.
