**Product description:**

High-quality crayons made of kaolin clay in a wooden frame. They are characterized by exceptionally intense and saturated colors. They cover perfectly, they are perfect for drawing, filling large surfaces and making soft transitions between colors. The crayons are thick and well-balanced, which makes them ideally suited to a child's small hand. They are produced in Poland, in accordance with the Directive of the European Parliament and of the Council on the safety of toys and the ordinance of the Ministry of Economy on essential requirements for toys, which guarantees the
