Product description:

- Paper intended for:

1. stickers
2. labels
3. stickers - etc.

 The paper has a printing layer on one side and a protective layer on the other side. You can print on laser printers. The paper is high gloss, it is not the semigloss that some retailers sometimes offer as gloss, it is the highest gloss. The paper is also suitable for inkjet printers, but due to the high gloss, not all inkjet printers can handle it, so we offer it mainly as laser printer paper.
