Product description:

- Soft oil pastels in the form of classic sticks with a round cross-section, in a paper wrapper, distinguished by a creamy consistency that guarantees perfect spreading on the surface of both canvas and cardboard.
- They spread perfectly, allowing for subtle effects of shadows, backgrounds and color mixing. They can be used both dry to obtain delicate, thin or strong clear effects, and wet with turpentine or a mineral solution, creating an effect almost identical to the use of oil paints.

-
- Clear, shiny, durable colors that resist fading.
 - Perfect for paper, cardboard and canvas.
 - Oil pastel sets, aimed at professional artists, as well as hobbyists and people starting their adventure with drawing in the oil pastel technique.
 - They meet the standard: EN 71 and ASTM D-4236.
 - 12 intense colors included.
