Product description:

- High-quality, professional dry pastels in sticks with a square cross section of 9x9 mm, which allow for wide strokes or thin lines depending on whether you draw with the plane or the edge of the stick.
- They are more resistant to breakage.
- Created on the basis of natural ingredients, they do not contain toxic substances.
- High tinting power and beautiful shades of intense, vivid colors.
- Recommended for professional creators as well as for hobbyists and people starting their adventure with drawing.

-
- 12 colors included.
 - Pastel length: 65 mm.
