Product description:

- A set of watercolor paints in the form of dry buttons with a diameter of 28 mm placed in a plastic package with a pendant.
- The lid of the package may be a palette for mixing paints.
- After wetting with water, paints are ready to use almost immediately, and depending on the method of use (e.g. the amount of water added), various effects can be obtained.
- Brush included.
- Watercolor paints are water-based paints used for painting on paper, the characteristic feature of which is the purity and transparency of color spots.
