Product description:

- Pens in 6 pastel colors (green, yellow, orange, pink, purple and blue) with a crystal tip will delight everyone not only with

their sophisticated look, but also with their unusual color palette.

- The most fashionable pastel shades this season are perfect for marking texts and preparing important notes.
- In addition, the crystal tip makes the pens stand out with an attractive appearance and a unique shape.

Do you know that...?

Pastel is a painting technique in which we use paints in the form of thin sticks formed of dyes, chalk, plaster and a special binder.
