Product description:

- Number of sheets - 20 + gold and silver
- Color - We ship the set shown in the photo
- Weight - **80 - 120** g / m²
- Purpose - drawing with pencils, charcoal, crayons, paints, etc.
- For artistic and creative works
- The paper is colored in the mass, thanks to which it is safe for children.
- Due to the fact that the paper is dyed in mass, the colors are intense and vivid, not like in the case of painted paper blocks which have faded colors and feel it with paint.
- 10 colors (2 sheets each) + gold and silver sheets
