Product description:

Crayons made of the highest quality FSC-certified cedar wood.

- The graphite of the crayons is made on the basis of watercolors.
- Crayons are soft to use.
- You can use them dry or moistened with a little water.

-
- After blurring the drawing with a brush with a little water, the effect of watercolor paints is obtained.
 - They provide a variety of effects, from subtle to expressive.
 - The set includes a brush.
 - The metal packaging is perfect for a gift for a young artist.
