Product description:

Crayons made of the highest quality FSC-certified cedar wood.

- The graphite of the crayons is made on the basis of watercolors.
- The crayons are soft to use.
- You can use them dry or moistened with a little water.
- After blurring the drawing with a brush with a little water, the effect of watercolor paints is obtained.
- They provide a variety of effects, from subtle to expressive.

-
- The set includes a brush.
 - The metal packaging is perfect for a gift for a young artist.
