Product description:

- Gouache covering paints, the binder of which is gum arabic.
- They are mainly used to paint a sketch on canvas before painting with oil paints, but due to their covering properties

and color intensity, they are also ideal for creating illustrations and painting independent pictures.

- Opaque, water-dilutable, with a matte finish.
- They dry in minutes and are very practical to use.
- They can be used on many surfaces, such as paper, cardboard and wood.
- They meet the EN71 and ASTM D-4236 safety and hygiene standards.
- The set includes 12 paint colors, 12 ml each.
