Product description:

- A set of watercolor paints in trendy metallic colors.
- Watercolor paints are water-based paints used for painting

on paper, which are characterized by cleanliness and transparency.

- The paints are in the form of dry buttons with a diameter of 30 mm, placed in a plastic, closed package.
- The lid of the package may be a palette for mixing paints.
- After wetting with water, paints are ready to use almost immediately, and depending on the method of use (e.g. the amount of water added), various effects can be obtained. They dry quickly, perfect for both hobbyists and children.
- Brush included.
- 12 paint colors included.
- Diameter of the paint button: 30 mm.
