Product description:

- Magnetic sponge designed for cleaning whiteboards.
- Provides a simple and effective method of cleaning.
- The bottom of the sponge is finished with high-quality gray melange felt.
- Thanks to the felt bottom layer, it does not scratch the cleaned surface.
- The magnetic function allows you to store the sponge directly on the surface of the board, so it is always at hand.
- The convenient, round shape of the sponge makes it easy to hold and clean the board.
- Available in the following colors: red, blue and green - we

send the color randomly

- Diameter: 9.2 cm.
- Thickness: 2 cm.
