Product description:

- Set of 12 double-sided felt-tip pens.
- Each marker has two tips: thin and brush.
- The flexible brush tip allows you to adjust the thickness of the line by changing the pressure, making the marker perfect for calligraphy and drawing. Thanks to their intense and nonfading colors, they are suitable for writing, drawing and coloring.
- It is a perfect work tool for cartoonists, comic book makers and all artists, it is especially recommended for manga and comic book artists, illustrators, and fashion designers.
- They have a safe, ventilated cap and quick-drying, non-toxic alcohol-based ink.
- A practical, plastic case protects the felt-tip pens against damage and makes them easy to store.
- The set includes 12 colors: fuchsia, light pink, dark purple, cornflower blue, light green, green, brown, orange, yellow, red, black.
