**Product description:**

- A quick, simple card game in which the winner is the one who shows the greatest perceptiveness.
- The package includes a set of 31 cards with 6 pictures of animals.
- Any two cards always have one picture in common, but not to be too easy, these pictures often have different sizes.
- The game is to find a common picture as quickly as possible.
- Depending on the variant, the winner is whoever gets the
