## Product description:

### Young Intellect desk pads

- Educational desk boards with maps for children and teenagers
- Modern and colorful maps presenting information in an interesting and easy to remember way
- Intensive colors and high contrast make the board legible and pleasing to the eye
- It is perfect for a mouse and adheres very well to the ground thanks to the non-slip layer

- 
- As a desk pad, it can be an additional decorative element of the room
  - Format 550 x 365 mm

**Product attributes:**

Pattern: European countries, Poland administrative map, World political geographic map, Solar system
