Product description:

Young Intellect desk pads

- Attractive boards for the desk that provide teaching and educational support for children and adolescents
- The patterns present interesting tutorials to help you cope with everyday situations
- Modern and colorful maps presenting information in an interesting and easy to remember way
- Intensive colors and high contrast make the board legible and pleasing to the

eye

- It is perfect for a mouse and adheres very well to the ground thanks to the non-slip layer
- As a desk pad, it can be an additional decorative element of the room
- Format 550 x 365 mm
