## Product description:

### Water beads Ship - Key ring - 230 beads

- These amazing beads stick together when exposed to water!
- The set includes a sheet that allows you to create a key ring - a ship.
- However, you can create any shape out of them.
- Arranging patterns from beads is very easy and it's a lot of fun!

- 
- It is enough to arrange the figurine, spray it with water and wait a dozen or so minutes.
  - It is a creative toy for everyone.
  - It stimulates creativity, develops imagination and cognitive abilities.
  - No sticking! No ironing!
  - Age: 3+
