Product description:

The term French doggie has just acquired a new meaning. The Astra bag satchel with a charming graphic motif depicting a fashionable Parisian spaniel will steal the heart

of every girl who loves dogs and roses. The school satchel has a spacious main compartment with a compartment that can accommodate several notebooks and textbooks. It uses the latest Ergo Back technology to minimize pressure on the shoulders and spine, and to ensure the child's sense of comfort. Thanks to it, the weight on the back is evenly distributed without putting pressure on the shoulders.

Functionality:

- spacious main compartment with a compartment
- in the middle of the front compartment there are compartments for accessories, telephone, key carabiner, zippered pocket, mesh pocket
- 2 side pockets - mesh

Comfort and safety:

- ergonomic, sponged back, adjustable to the child's height, S / M / L
- soft, adjustable suspenders
- stiffened body
- reinforced bottom
- reflective piping
- rubber feet on the bottom to protect against

Dimensions: 39 x 30 x 17 cm

Description:

- It has the Ergo Back system that guarantees the highest quality, functionality and ergonomics.
- The Ergo Back back minimizes pressure on the shoulders and the spine and provides a sense of comfort. Adjustable shoulder straps and light weight make the backpack suitable for every child.
- The properly designed back panels of the schoolbag with the possibility of adjusting to the height of S / M / L help to maintain the symmetrical position of the child's torso.
- Thanks to the perfect contour and anatomically shaped back panels, the weight on the child's back is evenly distributed without putting pressure on the shoulders. The satchel ensures the comfort of being in motion and the healthy development of children.
- Soft and wide braces protect the shoulders and back from excessive weight.
- Reinforced bottom and rubber feet on the bottom protect against dirt.
- The Astra bag is equipped with reflective elements to ensure perfect visibility of the child on the way back home.
- Zippers equipped with ergonomic handles designed for the delicate fingers of a child.
- It has a durable handle that guarantees comfortable carrying of the backpack.
- The main compartment of the Astra bag will accommodate e.g. books, notebooks, A4 blocks and additional school supplies.

-
- The front compartment with a reinforced front has an organizer with a key ring and a pocket for a wallet, smartphone and small items.
 - The schoolbag has two side pockets made of reinforced mesh for carrying water bottles.
