Product description:

- Crayons intended for face and body painting.
- They spread easily.
- Durable - they remain on the skin even during active play and do not smudge.
- They are easily removed under the influence of soapy water or cosmetic milk.
- The set includes: 12 color pencils, loose glitter and a brush.
- The product is also ideal for the characterization of adults: animators of fun and free time, clowns, mimes, fans, etc.
