Product description:

- The magical reusable water coloring book is a great gift idea!
- It has up to 6 pictures.
- The set includes a water pen.
- It is just plain water that makes the colors in our pictures appear.
- After a few minutes, the colors disappear and the fun can start over!
- The coloring book is non-staining, making it perfect for

children who are just starting their adventure with art.

- Instead of the attached marker pen, you can also use a thick brush and a cup of water, then it will be easier for younger children to cover the entire picture with water.
- The dimensions of the coloring book: 15x20 cm
