Product description:

- Folia in the form of thin flakes, for gilding on any type of surface.
- Quantity: 3 g
- Color: copper
- You can combine foils in several colors, thus obtaining the effect of a transition of tones.
- The foil is applied to the object covered with a layer of glue, the excess is removed with a taping brush.
- In order for the decorated item to retain the glow of gilding, it is necessary to finish it with varnish.
- Perfect for decorations, gift decorations and many other art works
- The product is perfect for hobbyists, professionals and amateurs of handicrafts.
