Product description:

- The witch set will allow you to make a great make-up!
- The whole set includes as many as 7 elements: a witch's nose with an eraser, face paints in 5 shades, one of which glows in the dark - red, black, white, green and yellow, and a precise applicator that will be perfect for covering larger surfaces and drawing precise contour.
- All products are safe, which has been confirmed by strict laboratory tests.
- Instructions on the back of the packaging on how to create the desired style step by step.
- Create a spectacular make-up with KIDEA, from which everyone will be able to look away, even in the dark!
- Package dimensions: 15 x 23 x 5 cm
