- Number of pages: 32
 - Format: A4
 - The book is an excellent teaching aid for preschool and early school education teachers, but it is also perfect for independent play.
 - Filling the drawings of your favorite animals, fruit or toys with color is an ideal method of consolidating words; the only thing left to remember is the first letter - like a watermelon, k like the moon, with like a hare - and we already know the alphabet!
 - After all, the prerequisite for effective learning is having fun!
