### **Product description:**

• Number of pages: 32

- Format: A4
- The book is an excellent teaching aid for preschool and early school education teachers, but it is also perfect for independent play.
- Boys love to draw their heroes. With our booklet you will move to the land of racing cars, brave knights, scary dragons, mysterious aliens and chests full of treasures.
- The coloring book contains 32 drawings of the boys' favorite characters, toys or vehicles, and below them - commands with additional tasks: count, number, draw the missing element or indicate the largest part. The little man will not only have fun, but will spend his time creatively and effectively, consolidating the basic skills of a young child.
