**Product description:**

- 
- Number of pages: 32
  - Format: A4
  - The book is an excellent teaching aid for preschool and early school education teachers, but it is also perfect for independent play.
  - 32 pages of medical drawings is not only a great exercise for a little artist to fill out contours with colors, but also a good way to show him how important it is to take care of health!
  - Doctor Tomasz or nurse Danusia will help to tame the child with visits to the clinic or hospital. There is a short task or question underneath each picture.
