  - The book is an excellent teaching aid for preschool and early school education teachers, but it is also perfect for independent play.
  - 32 coloring pages for the youngest ones allow you to see the names of the fruits.
  - From gooseberry and pineapple, through carambola and mulberry to cherry - the child will find here drawings of more and less known fruits from the daily diet, arranged in alphabetical order, therefore the coloring book is not only a great drawing training for a small artist, but also allows you to learn and consolidate new names, is also an excellent repetition of letters!
