Product description:

- Number of pages: 32

- Format: A4
 - The book is an excellent teaching aid for preschool and early school education teachers, but it is also perfect for independent play.
 - What color is Rascal's collar? How many dots does Snorky have on her face? What is Maciek pouring into Rufus's bowl?
 - 32 pages with portraits of dogs - faithful friends, wise and sweet creatures - and tasks for a little artist. A coloring book is not only a great drawing training, but also an opportunity to easily convey to a child through play what responsible care for an animal is.
