-
- Format: A4
 - The book is an excellent teaching aid for preschool and early school education teachers, but it is also perfect for independent play.
 - 32 pages with drawings of birds, from pheasant to sparrow. Your child will be happy to color a portrait of a proud peacock, a very nice parrot or a wise owl, the book will make them sensitive to the beauty of nature and help them learn many names of bird species.
 - It is not only a great drawing training for a little artist, but also his original gallery full of images of sky-dwellers!
