Product description:

-
- Number of pages: 32
 - Format: A4
 - The book is an excellent teaching aid for preschool and early school education teachers, but it is also perfect for independent play.
 - 32 pages of coloring pages with cartoon-like robots performing various professions and roles in everyday life: there is a robot-mechanic and a robot-driver, one cleans up toys, another carries shopping nets, another plays ball, and everyone is helpful, friendly and smiling! Complicated robots and machines fascinate and fascinate children.
 - Under each drawing, there is a pattern, an additional exercise, thanks to which the toddler consolidates the basic shapes.
