To wółczniki, ale nazywa się je też miecznikami.
Jak myślisz, dlaczego?

Product description:

-
- Number of pages: 32
 - Format: A4
 - The book is an excellent teaching aid for preschool and early school education teachers, but it is also perfect for independent play.
 - Your child gets to know the immediate surroundings better and better every day, but after all, he is also interested in what is distant and exotic. We are eager to go with our book on a journey through the fascinating underwater world.
 - A killer whale, a crab or a sea horse, as well as a nautilus, manta ray, sunfish - unusual creatures, some dangerous, others cheerful - will amaze and delight them. The coloring book, suitable for both girls and boys, will allow you to create an album full of portraits of sea inhabitants.
