Product description:

-
- Number of pages: 32
 - Format: A4
 - The book is an excellent teaching aid for preschool and early school education teachers, but it is also perfect for independent play.
 - 32 drawings-coloring pages for the youngest read the names of vegetables.
 - From eggplant and onions, through ginger and turnips, to potatoes - the child will find here illustrations of vegetables more and less known from the daily diet, arranged in alphabetical order, which makes the coloring book not only a great drawing exercise for a little artist, but also helps him learn and consolidate new names , is also an excellent repetition of letters!
