Product description:

- Number of pages: 32
- Format: A4
- The book is an excellent teaching aid for preschool and early school education teachers, but it is also perfect for independent play.
- 32 pages of puzzles, thanks to which your child, having fun, develops reflexes and logical and mathematical thinking skills.
- The numbers hide the portraits of his favorite animals, and after solving subsequent tasks, the little artist discovers the figures of Boguś the turtle, Henio penguin, Frank the camel or Kamila's seal: he can now color them in any way, developing his artistic skills.
- There is a pattern underneath each puzzle, an extra exercise to help your child consolidate their basic shapes.
