**Product description:**

- 
- Number of pages: 32
  - Format: A4
  - The book is an excellent teaching aid for preschool and early school education teachers, but it is also perfect for independent play.
  - Your child loves coloring pages? This time we propose a booklet that will help him learn to count.
  - He will find simple exercises and games on 32 pages, learn to write numbers, and the next tasks will introduce him to the world of basic math - adding is easy, while you can color bees, balls or apples!
