## Product description:

- The book "I am learning to write", which we hand over to you, is a set of exercises designed for children who make their first attempts to write letters, while developing their reading and writing skills.
- By drawing patterns, the child develops his manual skills and perceptiveness, and later, through play, learns small and capital letters, while having fun sticking stickers and coloring pictures.
- Classes are in line with the core curriculum for primary education classes.
- Number of pages: 48
- Binding: Paperback
- Format: 22.5 cm x 19.5 cm
- ISBN: 978-83-65222-02-2
