Product description:

-
- Number of pages: 40
 - Binding: Paperback
 - Format: A4
 - ISBN: 978-83-65944-31-3
-
- These are excellent exercises to help children who have difficulties in learning to write.
 - Larger spaces between the lines and tracing the traces initiating the appropriate arrangement of the handle for writing specific letters will make learning a pleasure, not a punishment. We highly recommend it!
