Product description:

Astra bag for footwear with a galactic motif. It was created for all fans of space travel and astronomical topics. After all, which child does not like to look at the sky? The bag has double side strings with a safety buckle that allow it to be carried in the hands, over the shoulder or on the back. Additionally, on the back of the Astra bag there is a badge to write down the student's personal data.

- polyester cords with safety buckle
- dimensions: 44 x 33 cm

-
- space for owner data
 - attractive theme from the Galaxy series
