Product description:

- Contains 18 buttons with paints, 28 mm in diameter, placed in a plastic package, and a brush.
- The lid of the package may be a palette for mixing paints.
- Just mix them with water to get different shades of colors from dense, expressive to delicate, translucent.
- In combination with white paint, you can create completely new shades. Watercolors can also be used in conjunction with other techniques (tempera paints, poster paints and wax crayons).
- These paints will be used mainly by school children and teenagers starting their art education.

-
- Due to the small size and convenience of the packaging, they can be easily carried, e.g. in school bags, and stored for a long time without the fear of changing their properties.
 - 18 paint colors included.
 - Diameter of the paint button: 28 mm
